

Canterbury School's youngest pupils

The Teddies K.0 Two year Old Class

The Teddies K.0 class is coming to the end of its 2nd term and all the children are really settled in and enjoying all the different activities that they do on a daily basis.

The Teddies love dancing and here they are doing the actions to the Row, Row, Row Your Boat song!

Another favourite activity is riding the bikes in their separate outside play area.

In the Teddies class most days they do a craft activity and have great fun, painting, sticking and drawing.

Water play is another great favourite and with the lovely weather we enjoy in Las Palmas, the Teddies spend a lot of time playing with water!

We like to give the Teddies lots of varied experiences and they really enjoy the different "non cook" cooking activities. Here they are spreading nocilla on cakes to make "butterflies".

Of course we all enjoy the different Festivals that are celebrated on the island and here we all are in our Carnival costumes!

If you would like to keep up with what is happening in the Teddies K.0 class visit our blog:
