Science department apparatus

Contents and Reference pages

Term 1	Section	Title	Reference page/ Exercises
1		Change of units	7
2		Density	9,11
3		Speed, velocity and acceleration	13
4		Motion Graphs	15
5		Gravitational motion	
6		Measuring length and period of a pendulum	
7		Forces (Newton's 2 nd laws)	23
8		Weight and gravity	25
9		Centre of gravity	39

Term 2	Section	Title	Reference page /Exercise
10		Terminal speed	27
11		Action and reaction (Newton's 3 rd law)	29
12		Moments	37
13		Circular motion	33
14		Deformation	41
15		Work and energy	55

Term 3	Section	Title	Reference page / exercise
16		Efficiency and Power	63
17		Electric Charge	151
18		Electric Current	155
19		Voltage	159
20		Resistance	163
21		Practical Circuits	165

ASSESSMENT

Tremble

Tests	70 %
Coursework	30%
Homework	Test revision
